^{*} This final category of offenses against the person, set out in G.S. 15A-830(a)(6a)g., appears to apply the CVRA to offenses that fit the constitutional criterion of Article I, § 37(a), a "crime ... against or involving the person of the victim," but are not otherwise enumerated in the list above. Which additional offenses satisfy that criterion would appear to be a case-by-case determination by the officials with assigned duties under the CVRA.
