FINDINGS OF FACT

After notice to the district attorney and a hearing on the petition, the Court makes the following findings of fact:

- 1. The charge(s) against the petitioner in this matter was/were dismissed, or the Court entered a finding of not guilty on the charge(s), or the Court set aside the conviction(s) on the charge(s).

ORDER

Therefore, the Court hereby ORDERS:

- 1. The petition is granted.
 - a. Any and all entries relating to the petitioner’s apprehension, charge or trial shall be expunged from all official records of the court.
 - b. All law enforcement agencies, the Division of Adult Correction and Juvenile Justice of the Department of Public Safety, the Division of Motor Vehicles, and any other State or local government agency identified on Side One and on any AOC-CR-285 form that is attached to this petition are hereby directed to expunge from all official records any entries relating to the person’s apprehension, charge, or trial.
 - c. The Division of Motor Vehicles shall reverse any administrative actions taken against the petitioner as a result of each charge or conviction hereby expunged, including the assessment of drivers license points and any drivers license suspension or revocation. Further, the Division of Motor Vehicles shall provide to the petitioner a certified corrected driver history at no cost and reinstate at no cost any drivers license suspended or revoked as a result of each charge or conviction hereby expunged.
 - d. NOTE TO PETITIONER: If this petition is granted, the clerk of superior court will send you a certified copy of the final order for your records at the address listed on Side One. If you move, you must notify the clerk in writing of your change of address in order to receive a certified copy. After the case is expunged, the clerk of superior court will have no record of the case and will be unable to provide you with any documentation of the case. This includes the expunction order; it will be destroyed with the case file.

The expunction of your case information from the records of the court and of other State and local government agencies does not guarantee that the information will be expunged from all other sources. Private companies routinely acquire copies of criminal records from State and local criminal justice agencies. Certain private entities are required to expunge your case information upon receiving notice of the expunction order, but there may be a delay between entry of the order of expunction and deletion from the entity’s records. Further, that duty to expunge does not apply to all private entities. If a private entity distributes information about your expunged case, contact the private entity to determine which government agency was the source of the information, and then contact that government agency to determine whether or not the expunction order was received. If the private entity claims that the NCAOC was the source of the information, contact the NCAOC’s Remote Public Access office at rpa@nccourts.org or (919) 890-2220 to investigate the entity’s claim.
