This matter is before the Court on the petition of the defendant/petitioner named on the reverse side for a pretrial determination that the defendant/petitioner's drivers license was not revoked pursuant to an impaired driving license revocation and for release of the motor vehicle described on the reverse side. A hearing was held before the Court on this date. On the basis of the evidence presented and the entire record in this action, the Court finds by the greater weight of the evidence that:

- The motor vehicle described on the reverse side was seized on the date shown above pursuant to G.S. 20-28.3. The defendant/petitioner was charged with committing an impaired driving offense and it was alleged that at the time of the offense the defendant/petitioner's drivers license was revoked pursuant to an impaired driving license revocation as defined in G.S. 20-28.2(a).
- The defendant/petitioner is a person in whose name a registration card or certificate of title for the motor vehicle was issued at the time of the seizure.
- The defendant/petitioner has established that at the time of the above offense, the defendant/petitioner's drivers license was not revoked as a result of an impaired driving license revocation as defined in G.S. 20-28.2(a).

Therefore, it is ORDERED that:

- The motor vehicle described on the reverse side be released to the defendant/petitioner named on the reverse side upon payment of all towing and storage charges incurred as a result of the seizure and impoundment of that vehicle.
- The petition is denied because the petitioner has failed to establish the facts necessary to support one or more of the findings required for release of the vehicle. The motor vehicle shall remain impounded pending further orders of the Court. If this Order is entered after a hearing on pretrial release, it may be reconsidered by the Court as part of the forfeiture hearing conducted pursuant to G.S. 20-28.2(d).
