### Information About Servicemembers Civil Relief Act Affidavits

#### 1. Plaintiff to file affidavit

In any civil action or proceeding, including any child custody proceeding, in which the defendant does not make an appearance, the court, before entering judgment for the plaintiff, shall require the plaintiff to file with the court an affidavit—

- (A) stating whether or not the defendant is in military service and showing necessary facts to support the affidavit; or
- (B) if the plaintiff is unable to determine whether or not the defendant is in military service, stating that the plaintiff is unable to determine whether or not the defendant is in military service.

50 U.S.C. 3931(b)(1).

# 2. Appointment of attorney to represent defendant in military service

If in a civil action or proceeding in which the defendant does not make an appearance it appears that the defendant is in military service, the court may not enter a judgment until after the court appoints an attorney to represent the defendant. If an attorney appointed to represent a service member cannot locate the service member, actions by the attorney in the case shall not waive any defense of the service member or otherwise bind the service member. 50 U.S.C. 3931(b)(2). State funds are not available to pay attorneys appointed pursuant to the Servicemembers Civil Relief Act. To comply with the federal Violence Against Women Act and in consideration of G.S. 50B-2(a), 50C-2(b), and 50D-2(b), plaintiffs in Chapter 50B, Chapter 50C, and Chapter 50D proceedings should not be required to pay the costs of attorneys appointed pursuant to the Servicemembers Civil Relief Act. Plaintiffs in other types of actions and proceedings may be required to pay the costs of attorneys appointed pursuant to the Servicemembers Civil Relief Act. The allowance or disallowance of the ordering of costs will require a case-specific analysis.

# 3. Defendant's military status not ascertained by affidavit

If based upon the affidavits filed in such an action, the court is unable to determine whether the defendant is in military service, the court, before entering judgment, may require the plaintiff to file a bond in an amount approved by the court. If the defendant is later found to be in military service, the bond shall be available to indemnify the defendant against any loss or damage the defendant may suffer by reason of any judgment for the plaintiff against the defendant, should the judgment be set aside in whole or in part. The bond shall remain in effect until expiration of the time for appeal and setting aside of a judgment under applicable Federal or State law or regulation or under any applicable ordinance of a political subdivision of a State. The court may issue such orders or enter such judgments as the court determines necessary to protect the rights of the defendant under this Act. 50 U.S.C. 3931(b)(3).

### 4. Satisfaction of requirement for affidavit

The requirement for an affidavit above may be satisfied by a statement, declaration, verification, or certificate, in writing, subscribed and certified or declared to be true under penalty of perjury. 50 U.S.C. 3931(b)(4). The presiding judicial official will determine whether the submitted affidavit is sufficient.

## 5. Penalty for making or using false affidavit

A person who makes or uses an affidavit permitted under 50 U.S.C. 3931(b) (or a statement, declaration, verification, or certificate as authorized under 50 U.S.C. 3931(b)(4)) knowing it to be false, shall be fined as provided in title 18, United States Code, or imprisoned for not more than one year, or both. 50 U.S.C. 3931(c).
