FINDINGS

The most serious offense before the Court today, which provides the basis for disposition, is:

Adjudication Date	Offense (with statute number)	F/M	Class

Based on the evidence presented, the Court makes the following Findings of Fact:

1. The juvenile delinquency history level is low (0-1 point). medium (2-3 points). high (4+ points).
2. The Court received and considered predisposition report risk assessment needs assessment and incorporates the contents of predisposition report risk assessment needs assessment by reference.
*(If the report is incorporated, a copy of the report **MUST** be attached to the order.)*
3. If ordered under G.S. 7B-2502(a2), the Court reviewed and considered a comprehensive clinical assessment or equivalent mental health assessment.
4. If a care review team was ordered to convene under G.S. 7B-2502(a3), the Court has reviewed and considered the recommendation plan submitted by the care review team in determining the juvenile's disposition in accordance with G.S. 7B-2501(c).
5. The Court finds beyond a reasonable doubt that the juvenile was adjudicated for an offense that was committed as part of criminal gang activity as defined in G.S. 7B-2508.1. As a result, the juvenile shall receive a disposition that is one level higher than would otherwise be provided for the class of offense and delinquency history level. G.S. 7B-2508(g1).
6. Other Findings: *(continue on attached page(s) if necessary)*

NOTE: State any findings regarding the seriousness of the offense(s); the need to hold the juvenile accountable; the importance of protecting the public; the degree of the juvenile's culpability; the juvenile's rehabilitative and treatment needs; and available and appropriate resources. Also use this space for any findings that are required to support a particular disposition, such as a finding of the juvenile's ability to pay if the Court is ordering restitution.

CONCLUSIONS OF LAW

Based on the foregoing findings of fact, the Court concludes as a matter of law that:
(check only one block)

- 1. The Court is required to order a Level 2 disposition.
- 2. The Court is required to order either a Level 1 disposition or a Level 2 disposition, and is entering a Level 2 disposition.
- 3. The Court is required to order either a Level 2 disposition or a Level 3 disposition and is entering a Level 2 disposition.
- 4. Because of the juvenile’s extraordinary needs, the Court is authorized to order a Level 2 disposition rather than a mandatory Level 3 disposition, which otherwise would be required in this case.

The disposition ordered below is authorized by law and is an appropriate plan to meet the needs of the juvenile and to achieve the objective of the State in exercising jurisdiction.
