COMMITMENT**

G.S. 122C-261

NOTICE: *This form is to be used instead of the Findings And Custody Order (AOC-SP-302) only when the petitioner is a commitment examiner who recommends outpatient commitment or release pending hearing for a substance abuser.*

FINDINGS

The petitioner in this case is a commitment examiner who has recommended outpatient commitment/substance abuse commitment with the respondent being released pending hearing.

The Court finds from the petition in the above matter that there are reasonable grounds to believe that the facts alleged in the petition are true and that the respondent probably:

- has a mental illness and is in need of treatment in order to prevent further disability or deterioration that would predictably result in dangerousness.
- is a substance abuser and dangerous to self or others.

ORDER

It is ORDERED that a hearing before the district court judge be held to determine whether the respondent will be involuntarily committed.
