ADMINISTRATIVE ORDER REGARDING COURT FILINGS

In order to provide consistency and efficiency, and in consideration of the implementation of Enterprise Justice in Guilford County, and the current local rules that requires use of the local form for continuances and dismissals, now comes the Court, by and through the Chief District Court Judge of the 24th Judicial District, Guilford County, and finds that in the interest of justice and in accordance with North Carolina General Statute 7A-146, that upon filing a new action via File and Serve, Attorneys are required to designate a filing location by typing it into the filing description to indicate either Greensboro or High Point and if one is not selected, the filed document(s) will be filed in Greensboro by default as the county seat, which may subject the filing to be transferred or dismissed at a later date.

Now therefore, IT IS HEREBY ORDERED that upon filing a new action via File and Serve, Attorneys are required to designate a filing location by typing it into the filing description to indicate either Greensboro or High Point and if one is not selected, the filed document(s) will be filed in Greensboro by default as the county seat, which may subject the filing to be transferred or dismissed at a later date. This order is effective immediately.
