### Administrative Order Extending Guidelines of September 2020 Order

My hope was that our COVID crises would have dissipated to the point that we could resume a more normal Court schedule in January 2021. Obviously, that has not occurred. Therefore, the guidelines contained in the District Court Utilization Plan that was filed on August 4, 2020 and effective on September 1, 2020 shall remain in effect for District Court matters through January 31, 2021. Thank you in advance for your continued patience as we work together to address cases as promptly and safely as possible and practical.
