Administrative Order Ending COVID Guidelines of September 2020 Order and its Amendments

The District Court Utilization Plan which was effective September 1, 2020 and the Amendment to that Plan which was filed February 12, 2021 are hereby allowed to expire effective June 1, 2021. Hopefully, we will not have any increase in Covid cases to cause the reinstatement of limitations. **The practice of having morning and afternoon criminal calendars shall continue in each County on all Criminal dates except for Henderson Wednesday criminal court which has only a morning calendar due to Traffic Administrative Court. Each Clerk shall have authority to utilize split calendars for Domestic Court dates in the discretion of the Clerk.** Social Distancing will probably be non-existent as we expand numbers so that our mask mandate shall be strictly adhered to subject to each Judge's discretion considering the number of people in the Courtroom.

This the 13th day of May 2021.

Mack Brittain
Chief District Court Judge
