Gen. Stat. § 7A-38.1.

3.2 **Selection of Mediator:** Parties shall have no more than Twenty-one (21) days from the filing of that last responsive pleading or issuance date of the Order for Mediated Settlement Conference, whichever is later, to select a mediator. Otherwise, the Court will issue an order appointing a mediator without further notice pursuant to Rule 2 of the Rules of the North Carolina Supreme Court Implementing Statewide Mediated Settlement Conferences, as amended. Form AOC-CV-812 is to be used for this purpose.

3.3 **Appointment of Mediator:** When the parties have not selected a certified mediator of their choice, a Resident Judge will appoint Mediators pursuant to Rule 2 of the Rules of the North Carolina Supreme Court Implementing Statewide Mediated Settlement Conferences, as amended. The procedure for judicial appointment shall be to appoint the next certified mediator on the list who currently resides or maintains a mediation practice in the 24th Judicial District, who certifies in writing annually to the Senior Resident Judge that he, or she, wishes to mediate in this judicial district, is familiar with the Local Mediation Rules, and will comply with them and the Supreme Court Rules. The list shall also include any retired or emergency judge or justice of the superior or appellant courts, who request to be on the list. The list shall be arranged alphabetically, and appointments shall be made in consecutive order, or at the discretion of the CM. The Senior Resident Judge or the CM shall retain discretion to depart from this procedure in particular circumstances such as the appointment of one mediator to multiple cases, appointment of a newly certified mediator, appointment of a mediator who possesses special skills in a particular kind of case, or to withhold a mediator who has not followed Local or Supreme Court Rules from appointment.

3.4 **Time to Complete Mediation:** The Mediated Settlement Conference (MSC) shall be conducted as soon as practical and, unless approved by a Senior Resident Superior Court Judge, within one hundred-twenty (120) days from issuance of the Order. When parties select a Mediator, they shall also schedule a date for the mediation. The parties shall select a Mediator who can timely schedule the mediation within the lime limits set out herein or in an approved Scheduling Order. Failure to mediate a

matter in accordance with the filed and approved Scheduling Order shall not be grounds for the continuance of the trial.

3.5 **Extension of Time:** No extension of the deadline to complete the Mediated Settlement Conference (MSC) shall be allowed except for good cause shown. Failure to comply with these rules or timely act shall not be considered good cause. Any request for extension shall be in accordance with Mediated Settlement Conference Rule 3.C. AOC Form AOC-CV-835 shall be used for this purpose. In the event counsel for all parties believe that the mediator selected, because of his/her experience, background, or expertise, has a substantially greater likelihood of accomplishing a settlement in a given case than other mediators, the Senior Resident Superior Court Judge will consider an extension of time to complete mediation with the previously selected mediator. The granting of any extensions of time to complete the MSC shall not be the cause for delay in other aspects of the case, including completion of discovery, filing, or hearing of motions, or trial, except by order of a Senior Resident Superior Court Judge by means of an approved amended scheduling order.

3.6 **Compliance with Rules:** All parties, attorneys, and mediators shall comply with The Supreme Court Rules for Mediated Settlement Conferences and these Local Rules. Mediators shall report any failure of the parties to comply.

3.7 **Report of Settled Cases:** All cases settled at mediation shall be reported to the CM by the mediator within two (2) business days, and the Report of Mediator (Form AOC-CV-813) shall be filed within ten (10) days.

4.2 **Minimum Contents:** The Scheduling Order shall be prepared by counsel for the parties and submitted to the Senior Resident Judge for approval prior to the first administrative setting of the case or within thirty (30) days of the last responsive pleading, whichever is later. The form "Pretrial Discovery and Scheduling Order" attached on the Form Appendix shall be used for the Scheduling Order. At a minimum the Scheduling Order shall contain the following:

4.2.1 Deposition and Other Discovery deadlines. Including deadlines for the Identification of Expert Witnesses, Deposition schedule for Expert Witnesses and other witnesses; Name of Mediator and Mediation Conference Schedule and other deadlines.

4.2.2 A stipulation that all dispositive motions shall be heard no later than the session of court immediately preceding the trial date of the case or said motions will be presumed to have been abandoned by the moving party.

In lieu of appearing for a Rule 26(f1) conference, counsel for the parties may, within thirty (30) days of being directed to appear, submit to the court a consent Scheduling Order setting forth all matters required by this rule that specifically addresses subdivisions (2) and (3) of subsection (f1) of N.C.R.C.P. Rule 26. The consent Scheduling Order shall be submitted to the CM for approval, amendment, or denial by the Court.

4.4 **Failure to Timely Prepare Scheduling Order:** The failure of the attorneys of record to enter an agreed Scheduling Order acceptable to the Senior Resident Judge within thirty (30) days of the last responsive pleading or prior to the first administrative setting, whichever is later, will result in the Senior Resident Judge entering an order on his or her own motion setting forth deadlines for discovery, mediation, motions, and trial of the case.

4.5 **Amendment of Pretrial Discovery and Scheduling Orders:** Amendment of Scheduling Orders may be by mutual consent of all parties subject to Court approval or pursuant to a motion to any Resident Superior Court Judge. All amended Scheduling Orders shall be filed with the CM and the Court.

At administrative terms where a matter is only on for the entry of a Scheduling order, or any other order or judgment due, counsel will not need to appear provided that they have submitted the appropriate Scheduling order, or other order or judgment no later than 5:00 P.M. on the Wednesday preceding the scheduled administrative term in Avery, Mitchell, Yancey and Madison Counties and no later than 5:00 P.M. on the Monday of the week of the scheduled administrative term in Watauga County. Failure to meet these deadlines shall require attorneys to be present as provided above.

8.3 **Order of Cases:** Cases shall be calendared by the CM or the Senior Resident Judge according to prior ordered preemptory setting, statutory priority, and the age of the case unless a different setting is ordered by the Senior Resident Judge. In addition to cases set by court order or by approved scheduling order, attorneys may request that any pending case be set for trial. A request for such a setting of a case on the trial calendar shall be made no later than sixty (60) days prior to the beginning of the court session and shall be set in the following priority: 1) cases in which all parties have agreed upon a trial date; 2) cases requested to be on the trial calendar by only one party; 3) cases requested for setting by neither party, but due to age and status should be set for trial. Cases of equal priority under this rule will be set in numerical sequence. Cases set for trial for a term may be called for trial any time during the term and shall be ready for trial at any time during the term. Any case listed on a published trial calendar

is subject to dismissal for failure to prosecute if, at the time it is called for trial, the attorneys (or the parties themselves, if not represented by counsel) are not present or ready to proceed.

8.4 **Calendar:** The trial calendar for a session shall be set no later than four (4) weeks prior to the first day of each session of court. However, the Senior Resident Judge reserves the right to alter the date of publication or to publish a supplemental calendar if deemed necessary to fulfil the purpose and policy of these rules.

8.5 **Scheduling of Motions, administrative appeals, and non-jury matters:** Motions, administrative appeals, and other non-jury matters shall be set for hearing on the first day of a Civil Session or as otherwise scheduled by the CM or the Court and in accordance with any Administrative Orders in effect. Attorneys who have given such notification shall be provided copies of the trial calendars by regular mail or by a copy of the calendar being placed in the attorney's courthouse mailbox, or any other manner as determined by the CM. The Clerk of Court will mail trial calendars to *pro se* litigants unless those litigants have notified the CM and the Clerk of Court that they have internet access. Each *pro se* litigant shall be responsible for keeping the CM and the Clerk's Office advised of a current mailing address and email address. Requests for a peremptory setting should be made to the Senior Resident Superior Court Judge or the CM at least ten (10) weeks prior to the proposed trial date.

10 **Rule 10 Re-scheduling Cases Not Reached.** Cases scheduled for trial not reached at a session shall be re-scheduled as additional cases for trial at another regularly scheduled session if feasible considering the availability of counsel, parties, and witnesses in consultation with CM. Re-scheduled cases have no priority over scheduled cases.

Failure to provide the CM with the ten (10) days notice required hereunder and a copy of a Notice of Hearing may result in the motion being set for a later term of court in the sole discretion of the CM.

11.2 **Scheduling of Motions:** Pending motions shall be scheduled for hearing in the discretion of the Senior Resident Judge or by the CM in the order of receipt of notification and/or the urgency of the motion or statutory priority and in accordance with all applicable Administrative Orders. Motions will be set on Monday or the first day of the civil session if Monday is a holiday, at 10:00 A.M. or as otherwise determined by the CM or the Court. The number of motions scheduled for a session shall be based on the nature of the motions filed, the anticipated time required for hearings, and the time available for hearing of motions at each session. Motions may be calendared for any trial session of superior court in another county in the judicial district only upon approval of the CM or Senior Resident or by order of the Court. Notwithstanding the foregoing, it is expected and strongly recommended that parties use the civil priority designated terms in the county where the matter is pending for motions. For the purpose of this five-day requirement only, service shall mean personal delivery, facsimile transmission, or email delivery, or other means such that the Hearing Judge

receives the brief or memoranda within the required time. Briefs that are emailed must be in “Word” format. If a brief is not timely delivered hereunder, the Hearing Judge, in his or her discretion, may proceed with the matter without considering the untimely brief or memorandum or take such other action as the ends of justice require. Pursuant to N.C.G.S. 1A-1, Rule 5(d), briefs, and memoranda and supporting cases provided to the Court may not be filed with the Clerk unless ordered by the Court. All hearing materials delivered to the Hearing Judge in accordance with this Rule shall be delivered to counsel for the opposing party or any unrepresented party by hand-delivery, email, facsimile, express delivery or mail, such that the opposing counsel or party receives the materials no later than at least two (2) days before the hearing date. If any hearing materials to which this rule applies are not served on the opposing counsel or party within the time and manner specified herein or in accordance with the Rules of Civil Procedure, the Court may continue the matter for a reasonable period of time, proceed with the matter without considering the untimely brief or memorandum or take such other action as the ends of justice require.

11.8 **Motions shall be filed and scheduled promptly:** Delays in scheduling motions for hearing, particularly after a trial date has been set, may be grounds for denial of any motion which will delay trial. Failure to schedule a motion for hearing may result in the motion being denied or deemed withdrawn without a hearing or in the imposition of sanctions such as, *inter alia*, limiting or prohibiting discovery. Any motion filed after a trial date has been set shall include the date of trial in the motion.

11.9 **Withdrawal of Motion:** When a filed motion no longer requires a hearing, the party that filed the motion shall file a notice withdrawing said motion. If the motion has been calendared, the movant shall immediately notify the CM.

11.10 **Failure to Appear/Argue Motion:** If the moving party fails to appear to argue a motion when scheduled, the motion will be considered denied or withdrawn, whichever the Court deems appropriate.

12 Rule 12 Preliminary Injunction Hearings: The evidence in a preliminary injunction hearing shall be presented in the form of affidavits in support of or in opposition to the injunction. The presentation of testimony from witnesses will be received only in exceptional circumstances, or when the party offering the witnesses’ testimony has been unable to obtain an affidavit from the witnesses in advance of the hearing.

13 Rule 13 Dispositive Motions and Motions in Limine.

13.1 **Dispositive Motions:** Any dispositive motions must be noticed and calendared no later than the session of court immediately preceding the trial date of the case or said motions will be presumed to have been abandoned by the moving party. The failure to notice a dispositive motion in advance of the trial date shall not be considered grounds for the continuation of the trial. Dispositive motions upon which a request for a hearing date is not requested by the movant to the CM by the filing of a Notice of Hearing within 30 days of the filing of the dispositive motion will be deemed waived and denied without further notice.

13.2 **Motions in Limine:** Must be filed no less than ten (10) days prior to the trial date and responses thereto shall be filed no less than five (5) days prior to the trial date.

14 Rule 14: Motions for Admission Pro Hac Vice. Any motion for the admission of an out of state attorney in any matter must, in addition to meeting all other necessary statutory requirements, be appropriately noticed for hearing in accordance with the Rules of Civil Procedure and shall be heard on the record. Any attorney seeking such admission must be present in court for said hearing. Motions not accompanied by the statutory fee will be summarily denied without notice.

15 Rule 15 Settlement Notification.

15.1 **Timely notice of Settlement:** Upon the settlement of a case on the printed trial calendar, attorneys of record must notify the CM within twenty-four (24) hours of the settlement and advise the court as to who will prepare and present a judgment or dismissal and when. Form to be used attached on the Form Appendix.

15.2 **Filing of Settlement Documents:** If no voluntary dismissal nor memorandum of judgment is filed during the session in which the case is set for trial, unless extended to a date certain by the Senior Resident Judge or the Presiding Judge, all necessary papers regarding the settlement must be filed in the Clerk's office within thirty (30) days from the date of notification to the CM or Presiding Judge unless a shorter time is ordered by the Presiding Judge. Should the appropriate paperwork not be timely filed closing out the case, then the case will appear on the calendar of the next trial session of court after thirty (30) days, or the next administrative session, whichever occurs first.

15.3 **Sanctions:** If the case has not been timely closed, the Presiding Judge or the Senior Resident Judge, in his or her discretion, may take such other administrative action as appears appropriate to give the case prompt disposition, including dismissal pursuant to Rule 41, and shall be grounds for the imposition of such sanctions and penalties as deemed appropriate by the Court and as allowed by law.

16 Rule 16 Continuances.

16.1 **Motion to be in writing:** Except in extraordinary circumstances, any continuance motion regarding a civil superior matter shall be in writing and filed not later than ten (10) days prior to the scheduled trial date for which rescheduling is requested. Each continuance motion or request shall state reasons and be signed by the attorney/ party making the request and be submitted to the Senior Resident Superior Court Judge on AOC form AOC-CV-221 together with the client Acknowledgment form attached on the Form Appendix.

16.2 **Notice, Consent, Objection:** Motions for continuance must affirmatively set forth whether the opposing party has been given actual notice and whether the opposing party consents or objects to the motion. Opposing parties shall have three days to respond to the motion for a continuance and the failure to timely respond will provide the presumption that the opposing party consents to said motion. Continuances on agreement of counsel or the parties shall not be automatically granted.

16.3 **Factors to be Considered:** Motions for Continuances before the Presiding Judges during the session shall only be granted for good cause shown including good cause being shown as to why the motion had not been presented to the Senior Resident Superior Court Judge as provided in Rule 16.1 above. Again, continuances on agreement of counsel or the parties shall not be automatically granted. In an effort to further reduce backlog with regard to Civil Superior Court matters, continuances of trial dates in cases more than eighteen (18) months old are specifically disfavored and shall only be granted in

extraordinary circumstances. In addition to the above, the Presiding Judge shall consider the following when deciding to grant or deny a motion to continue:

- 16.3.1 the age of the case with particular attention given to cases more than 18 months old;
- 16.3.2 state of the trial calendar for the term;
- 16.3.3 order in which the case appears on the trial calendar, including whether it is peremptorily scheduled;
- 16.3.4 number of previous continuances;
- 16.3.5 extent to which counsel had input into scheduling the trial date;
- 16.3.6 due diligence of counsel in promptly filing a motion for continuance as soon as practical;
- 16.3.7 length of continuance requested;
- 16.3.8 position of opposing counsel and parties;
- 16.3.9 present or future inconvenience or unavailability of witnesses or parties, and;
- 16.3.10 any other matter that promotes the ends of justice.

Any grant of a continuance motion shall be made in writing filed in the court file, with an indication of who requested it and appropriate findings. Whenever possible, the Court shall reschedule the trial date within the subsequent two months from which it was continued.

16.4 **Semi-Annual Review**: Information about the source of each continuance motion or request in a case, and the reason for any continuance granted by the Court, shall be entered for that case in the Court's computerized case management information system. At least semi-annually, the Senior Resident Superior Court Judge, or designee, shall promote the consistent application of this continuance policy by reviewing and discussing a report of civil superior cases pending, and the number of continuances requested and granted during the previous period, especially as they relate to the incidence and duration of trial-date continuances.

17 **Rule 17 Will Caveats**: It shall be the responsibility of the attorney for the Caveator(s) to notify the CM of the filing of the case and to serve the caveat and Notice of Hearing on alignment in accordance with G.S. 31-33. Cases involving caveats to Wills will be placed on the first available motions docket for the alignment of the parties after the CM has been advised by counsel for the Caveator(s) that all interested parties have been served in accordance with G.S. 1A-1, Rule 4 of the Rules of Civil Procedure. Thereafter, the case shall be ordered into the mediation process in accordance with the provisions of and time constraints set forth in Rule 3 above. Will caveat cases are entitled by statute to a priority trial calendar setting. Therefore, to every extent possible, the CM shall give priority for calendaring purposes to caveat proceedings in which the parties have been aligned and are ready for trial. In any event, the matter shall be placed upon the first trial session after the expiration of one hundred and eighty (180) days from the date that the matter was ordered to mediation, unless otherwise ordered by the Court.

18 **Rule 18 Minor/Incompetent Settlements**: All requests for review of Minor/Incompetent Settlements shall be submitted to the Court Manager by Notice of Hearing at least ten (10) days prior to the requested scheduled term.

18.1 **Priority**: Minor/Incompetent Settlement matters will be given priority and will be set for hearing at the next available trial court session provided timely request is made as provided above.

18.2 **Hearings in Open Court on the record:** All hearings for judicial approval of Minor/Incompetent settlements shall be held in open court and shall be recorded by a court reporter.
