JOHN M. DUNLOW
SENIOR RESIDENT SUPERIOR COURT JUDGE

SUPERIOR COURT TRIAL COURT COORDINATOR
JUDICIAL DISTRICT 9
FRANKLIN, GRANVILLE, PERSON, VANCE AND WARREN COUNTIES

From: John M. Dunlow, Senior Resident Superior Court Judge
Re: Resumption of Jury Trials
Date: August 6, 2020

Jury trials in the Ninth Judicial District are now resuming. Given the nature of the COVID-19 outbreak, you may have concerns about coming to the courthouse to fulfill your service as a juror. The courthouse personnel have worked diligently with state and local Health Department officials to identify and implement safety precautions for resuming and expanding the courthouse functions. I write to you now to let you know of some of the steps that are being taken to help ensure your safety as a juror and to let you know what to expect when you enter the courthouse.

One of the simplest and most effective ways to reduce the spread of COVID-19 is to wash your hands. Therefore, upon arrival at the courthouse, security personnel will encourage each juror to wash their hands in the nearest facility or use the provided hand sanitizer. You may be asked to have your temperature taken with a thermal thermometer and be asked specific questions regarding COVID-19 symptoms.

Another recommended method to help reduce the spread of COVID-19 is the use of an appropriate face covering. All people entering the courthouse, including jurors, **are required to wear an appropriate mask or face covering.**

Another recommended method to help reduce the spread of COVID-19 is appropriate social distancing. In order to facilitate social distancing, the jury pool will meet in the superior courtroom. This larger room will allow the jurors to maintain recommended social distance while conducting business. The hallways in the courthouse and seats in the courtroom will be marked to clearly indicate the recommended distancing.

Finally, frequent cleaning of high touch areas also helps to reduce the spread of COVID-19. In addition to their regular cleaning schedule, the county maintenance staff has greatly enhanced and expanded their cleaning procedures. The courtroom will be cleaned and sanitized multiple times throughout the day when in use.

If you feel you have any condition or risk factor that would prevent you from safely serving as a juror, the official jury summons that accompanies this letter will provide you with information on how to request that your service be deferred or excused.

To learn more about jury service and to prepare you for your service as a juror, please visit the link below and view the jury service orientation video.

<https://www.nccourts.gov/help-topics/jury-service/jury-service#juror-orientation-video-4268>

The safety procedures outlined in this memorandum will continue in effect for the foreseeable future. New precautions may be implemented, and existing precautions may be modified, based on further directives received from the Chief Justice or from state and local health officials. Please know the service you provide to our system of justice is vital, and your safety is of paramount importance to us. We hope you will feel safe and enjoy your service as a juror.

DAILY JUROR COVID-19 SCREENING DOCUMENT

The purpose of this screening document is to assist the Court in protecting the health and safety of jurors throughout jury service. Responses will be used solely for the purpose of determining whether a juror can serve; responses to the questions are not public record and will be sealed by the Court.
