RE: LOCAL RULES OF CRIMINAL PROCEDURE FOR THE  
SUPERIOR COURTS AND FOR CASES WITHIN THE  
ORIGINAL JURISDICTION OF THE SUPERIOR COURTS  
OF JUDICIAL DISTRICT 16B  
RULE 27, TRIAL CALENDAR, AMENDMENT

I am amending Rule 27, of the Local Rules of Criminal Procedure to read as follows:

***Subsection (c) Prohibited Calendaring Practices.***  
***(2) Excessive Trial for Attorneys.*** *The state may place without limitation as to number, defendants with felonies and misdemeanors but should not place so many that would impair defense attorney's ability to prepare for trial. See Simeon v. Hardin, 339 N.C. 358,378(1994)(The District Attorney may not place a "large number" of an attorneys cases on the trial calendar thereby "impairing" the defense's ability to prepare for trial.)*

Place this update in your Local Rules of Criminal Procedure.
