In accordance with this statutory mandate, all judicial districts must adhere to this schedule, and individual judicial district policies deviating from this schedule are prohibited.

3. When a defendant is charged with two offenses arising out of the same transaction and both are waivable under this schedule, they should be charged on the same citation. If additional waivable offenses are charged, a separate citation should be used for each two additional offenses.
4. When two charges are made on a citation, the defendant shall be fined only for the offense carrying the highest fine, and only one bill of costs will be assessed.
5. When a defendant is charged on the same citation with an offense waivable under this schedule and one offense that is not waivable, the defendant must appear in court to answer both the waivable and non-waivable charge.
6. This schedule does not apply to littering charges under G.S. 14-399(c) or (c1), if the defendant is charged with a second offense under the subsection.
