**OTHER POLICIES RELATING TO WAIVABLE HUNTING, FISHING AND BOATING OFFENSES:**

Chapter 75A and shall otherwise promote the "uniform administration of justice." In accordance with the statutory mandate, all judicial districts will adhere to the schedule and individual judicial district policies deviating from it are prohibited.
2. When a defendant is charged with two offenses arising out of the same transaction and both are waivable under this schedule, they should be charged on the same citation. If additional waivable offenses are charged, a separate citation should be used for each two additional offenses.
3. When two charges are made on a citation, the defendant shall be fined only for the offense carrying the highest fine, and only one bill of costs will be assessed.
4. When a defendant is charged on the same citation with an offense waivable under this schedule and one that is not waivable, the defendant must appear in court to answer both the waivable and the non-waivable charge.
5. This schedule does not apply if: (a) based on the facts of the case, replacement costs may be assessed against the defendant if he is determined to be guilty; or (b) a previous conviction of the conservation laws within the last three years is alleged so as to make the offense punishable under G.S. 113-135(a) (2); or (c) the defendant is charged with a violation of the boating laws set out in G.S.
