Chapter 113 and shall otherwise promote the “uniform administration of justice.” In accordance with this statutory mandate, all judicial districts must adhere to this schedule, and individual judicial district policies deviating from this schedule are prohibited.

- 3. When a defendant is charged on the same citation with an offense waivable under this schedule and one that is not waivable, the defendant must appear in court to answer both the waivable and the non-waivable charge.
- 4. Marine Fisheries offenses are not waivable if: (1) a previous conviction of the Marine Fisheries laws within the last three years is alleged so as to make the offense punishable under G.S. 113-135(a)(2); (2) fish have been seized and will be sold, or vessels or equipment have been seized; (3) the offense with which defendant is charged is listed on the mandatory appearance list; or (4) replacement or disposition costs may be assessed against the defendant if he/she is determined to be guilty.
