**About the North Carolina Judicial Branch**

The mission of the North Carolina Judicial Branch is to protect and preserve the rights and liberties of all the people as guaranteed by the Constitutions and laws of the United States and North Carolina by providing a fair, independent and accessible forum for the just, timely and economical resolution of their legal affairs.

**About the North Carolina Administrative Office of the Courts**

The mission of the North Carolina Administrative Office of the Courts is to provide services to help North Carolina's unified court system operate more efficiently and effectively, taking into account each courthouse's diverse needs, caseloads, and available resources.

# INTRODUCTION

This is the January-June 2018 NCAOC Forms Report, a document that lists change and posting dates for the various NCAOC forms during the time period beginning January 1, 2018 and ending June 30, 2018. The next (July-December 2018) installment of the Forms Report will account for changes to NCAOC forms during the time period beginning July 1, 2018 and ending December 31, 2018. Each new installment of the Forms Report will be posted to the “Complete Index to Judicial Forms” link on the Forms page (<https://www.nccourts.gov/documents/forms>).

This document contains a listing of official NCAOC forms. In some cases, forms and documents that are not NCAOC documents (e.g., the adoption forms maintained by the North Carolina Department of Health and Human Services) are linked-to on the NCAOC forms page. In a similar manner, envelope templates and other documents in use by NCAOC that do not constitute judicial forms are also posted on the NCAOC forms page. This Forms Report does not include non-NCAOC forms and, with few exceptions, it does not include documents that are not given an “AOC-” number.

Forms in this document are grouped in categories from the current NCAOC form numbering system, irrespective of general areas of practice that the forms may in fact relate to (e.g., civil revocation forms are grouped under the Civil Revocation Forms heading and not with Criminal Forms).

The listings of “Forms Currently In Use” include forms that are in regular use, as well as forms that are used more infrequently. Where a form is currently posted to the Forms page (<https://www.nccourts.gov/documents/forms>), a link to the subpage for that form (which may also include versions translated in other languages and other related documents) is included within this document. **As many of the NCAOC forms are frequently updated and revised, use of a form’s presently-posted version is highly recommended.** In order to call attention to forms that were newly-posted or revised during the relevant time period (here, January 1, 2018 to June 30, 2018), status notes are included in the Forms Report. The “Discontinued and Out Of Use Forms” listings include forms that have been formally discontinued, as well as those which have been superseded and those which are presumed to be “out of use” in the absence of indications to the contrary. Regular users of a form presumed to be out of use should notify NCAOC Forms staff of the fact of the form’s use – where appropriate, the form may be updated and listed among the “Forms Currently In Use.”

*Questions, concerns, and suggestions relative to this document and NCAOC forms in general are welcome and may be addressed to Forms and Procedural Help Desk Manager Paul Lachance at (919) 890-1375 and at [paul.k.lachance@nccourts.org](mailto:paul.k.lachance@nccourts.org).*
