North Carolina Judicial Branch

¹ There are no criminal costs and fee changes for December 1, 2021. There are changes that will take effect on February 1, 2022. The NCAOC will address these February 1 changes in a future memo.

² The Chapter 20 fee does not apply to offenses with specified costs or exempt from costs.

³ When a person convicted of a felony in Superior Court has made a first appearance in District Court, all Superior Court costs plus the District Court General Court of Justice fee shall be assessed. G.S. 7A-304(a)(4).

⁴ This fee is assessed and collected by the clerk when a petition for a certificate of relief is filed. It does not apply to a petition filed by an indigent. The fee shall be waived by the clerk upon a showing by the petitioner that the one-time fee was previously paid, even if paid in another county.

⁵ When CAM is imposed as a condition of probation for an impaired driving offense committed prior to December 1, 2012, this fee is paid to the clerk in the county of conviction and remitted to the monitoring vendor; for offenses committed on or after that date, fees for CAM imposed as a condition of probation (for any offense) are paid directly to the monitoring vendor by the defendant (or by the local government entity agreeing to pay them), not to the clerk. G.S. 15A-1343.3(b). The fees listed here apply only to CAM as a condition of probation; there appears to be no authority to assess fees against the defendant for CAM as a condition of pretrial release.

⁶ The exact fee amount will depend on the monitoring vendor. For offenses committed prior to December 1, 2011, the total CAM fees assessable against the defendant as a condition of probation for an impaired driving offense are capped at \$1,000.00. G.S. 20-179(h1). For offenses committed on or after that date, there is no cap. S.L. 2011-191, §1 (repealing the cap language from G.S. 20-179(h1)).

⁷ Parolees' CAM fees paid pursuant to G.S. 15A-1374(d) are paid to the clerk in the county of conviction. The exact fee amount will depend on the monitoring vendor. The clerk transmits any CAM fees collected from a parolee to the vendor. Note that this provision applies only to parolees; there is no statutory provision for the clerk to receipt CAM fees from an offender on post-release supervision.

⁸ For this expunction, the entire fee amount is remitted to the State's General Fund. It is not apportioned between the NCDPS and the NCAOC.

⁹ This fee should be assessed for petitions to expunge charges that resulted in dismissals pursuant to either a deferred prosecution or a conditional discharge.

¹⁰ For a comprehensive list of improper equipment fees, please see "Appendix – Chapter 20 Improper Equipment Offenses."

¹¹ The pretrial release services fee of G.S. 7A-304(a)(5) may be assessed upon conviction and remitted to a county providing pretrial release services if the defendant was accepted and released to the supervision of a county agency. This fee is separate from and in addition to any fees assessed directly by the county under G.S. 7A-313.1 when the defendant has received pretrial electronic monitoring by a county agency. If the defendant has been accepted and released to the supervision of a county agency that provides pretrial services that include electronic monitoring, the court should assess and receipt only the \$15.00 pretrial services fee upon conviction. Any fees assessed for electronic monitoring under G.S. 7A-313.1 must be paid directly to the county by the defendant.

¹² The Private Hospital Lab Fee should be assessed only when the defendant is convicted and the private hospital performed tests as part of an investigation that led to the defendant's conviction, <u>and</u> the tests were of the defendant's bodily fluid to determine the presence of alcohol or controlled substance. The Court also must find that the work performed is "the equivalent of the same kind of work performed by the North Carolina State Crime Laboratory under subdivision (7) of [G.S. 7A-304(a)]."

¹³ The State Lab Analyst Expert Witness Fee is assessed <u>in addition to</u> the State Crime Lab Fee assessed under G.S. 7A-304(7) or G.S. 7A-304(9a), but the expert witness fee applies <u>only</u> when the expert witness: (i) is employed by the State Crime Lab; (ii) completed a chemical analysis pursuant to G.S. 20-139.1, a forensic analysis pursuant to G.S. 8-58.20, or a digital forensics analysis; and (iii) provided testimony about that analysis in the defendant's trial.

¹⁴ The Local Lab Analyst Expert Witness Fee is assessed <u>in addition to</u> the Local Crime Lab Fee of G.S. 7A-307(a)(8), but the expert witness fee applies <u>only</u> when the expert witness: (i) is employed by a crime laboratory operated by a local government or group of local governments or a crime laboratory the services of which were paid for by a local government or group of local governments; (ii) completed a chemical analysis pursuant to G.S. 20-139.1, a forensic analysis pursuant to G.S. 8-58.20, or a digital forensics analysis; and (iii) provided testimony about that analysis in the defendant's trial.

¹⁵ The Private Hospital Analyst Expert Witness Fee may be assessed in addition to the Private Hospital Lab Fee of G.S. 7A-304(a)(8a), but the fee applies <u>only</u> when the expert witness provides testimony at the defendant's trial about a chemical analysis conducted pursuant to G.S. 20-139.1.

¹⁶ For districts that still operate a worthless check program, the clerk should continue to receipt the worthless check program fee of G.S. 7A-308(c) and remit it to the State. The amount of the fee remains \$60.00. In addition, G.S. 14-107.2 allows a community mediation center to assist the NCAOC and district attorneys by establishing a worthless check program in districts where such programs have not been established and to charge for its services as part of such a program. However, the fees for such services are not set by statute and are <u>not</u> to be receipted by the clerk. The center must assess its fees directly for users of its services in these cases. Further, the clerk should not assess the criminal mediation fee of G.S. 7A-38.7 when a community mediation center mediates a worthless check matter in the context of a pre-prosecution worthless check program. The clerk may receipt and disburse only the statutory program fee of G.S. 7A-308(c) and restitution to the check taker for the amount of the check plus any service charges and processing fees incurred or charged by the check taker.

Appendix - Chapter 20 Improper Equipment Offenses

Set out below is a table of Chapter 20 "improper equipment offenses."

Effective for costs assessed or collected on or after August 1, 2011 (unless the waiver exception of G.S. 7A-304(g) applies for a process issued prior to that date), a defendant who is found guilty or responsible for an "improper equipment offense" under Chapter 20 must pay a fee of \$50.00 in addition to the standard Chapter 20 criminal/infraction costs amount. See G.S. 7A-304(a)(4b). The office of the Clerk of Superior Court will remit this additional \$50.00 to the State Treasurer for the support of the General Court of Justice. *Id.*

The Chief District Court Judges traditionally have limited "improper equipment offenses" on the list of waivable traffic offenses to equipment violations found in Part 9 of Article 3 of Chapter 20.² The judges have, however, distinguished "equipment violations" in Part 9 from "height, length, and width" violations in Part 9.³ Using the waiver list as guidance, the NCAOC interprets the "improper equipment" fee to apply to any offense in Part 9 *other* than (i) violations relating to vehicle height, length, and width and (ii) violations that otherwise could be considered equipment violations, but for which the equipment element of the offense is derivative of the height, length, or width nature of the offense. An example of the latter would be violations of G.S. 20-117 (flags and lights at the end of loads), for which the equipment (the flag) is required only because of a load that has extended the overall length of the vehicle.

For each improper equipment offense, the table lists the statutory citation, the offense code description (or simply a brief description of the offense if there is no offense code for the violation), and the offense code (if one exists). Changes are indicated in **blue**.
