1. G.S. 7A-148 provides that the Conference of Chief District Court Judges shall prepare a "uniform schedule" of waivable traffic offenses and otherwise promote the "uniform administration of justice." In accordance with this statutory mandate, all judicial districts must adhere to this schedule, and individual judicial district policies deviating from this schedule are prohibited.
2. Where more than one charge is made on a uniform traffic citation, the defendant shall be fined only for the offense carrying the highest fine. Only one bill of costs will be assessed.
3. When a defendant is charged with two traffic offenses arising out of the same transaction, only one citation should be used. If an additional one or two offenses arising out of the same transaction are charged, they should be placed on a separate citation.
4. The traffic offenses waiver list does not apply to littering charges under G.S. 14-399(c) or (c1), if the defendant is charged with a second offense under the subsection.
5. An offense may be waived under No. 45 on the traffic offenses waiver list if it does not otherwise appear on these lists and it is located in one of the following Articles or Parts of Articles in Chapter 20 of the North Carolina General Statutes: Article 2 (G.S. 20-5 through 20-37.02); Article 3, Part 9 (G.S. 20-115 through 20-137.5), Parts 10 and 10A (G.S. 20-138.1 through 20-171.2), and Part 11 (G.S. 20-172 through 20-175); and Article 3A (G.S. 20-183.2 through 20-183.8G).
