II. Stipulations

Counsel for each of the Parties hereby certifies that the Parties have met telephonically regarding stipulations of fact and testimony.

Counsel also hereby certify that, in the same meetings, they discussed trial logistics, and have reached agreement on certain stipulations regarding those issues.

The Parties' Pre-Trial Stipulations are attached hereto as Exhibit 1.

III. Statement of Claims that Remain to be Tried

A. Plaintiffs' Statement

Plaintiffs assert that Senate Bill 824 (“S.B. 824”) as enacted and subsequently amended by the North Carolina General Assembly violates the Equal Protection Clause of Article I, § 19 of the North Carolina Constitution because it was enacted with the unlawful intent to discriminate against African American voters.

Plaintiffs allege, and contend that the evidence at trial will prove, that S.B. 824 bears more heavily on African American voters than white voters, that the enactment of S.B. 824 and its terms are consistent with the history of official discrimination against African American voters in North Carolina, and that the legislative history and events leading to the enactment of S.B. 824, including departures from the normal legislative process, reveal indicia of discriminatory intent.

B. Legislative Defendants' Statement

Legislative Defendants assert that S.B. 824 as enacted and subsequently amended by the North Carolina General Assembly does not violate the Equal Protection Clause of Article I, § 19 of the North Carolina Constitution.

Legislative Defendants allege, and contend that the evidence at trial will prove, that Plaintiffs have failed to carry their burden to show that S.B. 824 was enacted with the unlawful intent to discriminate against African American voters. Legislative Defendants also allege, and contend that the evidence at trial will prove,

that S.B. 824 was enacted for non-racial reasons, including to fulfill the North Carolina Constitution's mandate that the General Assembly enact legislation implementing the Constitution's photo voter ID mandate.

C. State Defendants' Statement

Given its expansive and permissive qualities, S.B. 824 complies with the North Carolina Constitution. The State Board therefore stands ready to implement the law in a nondiscriminatory way.

IV. Statement Regarding Trial Logistics

A. Plaintiffs' Trial Duration Statement

Plaintiffs request approximately 30 hours of trial time, which encompasses their estimate for opening, closing, direct testimony of Plaintiffs' witnesses, and anticipated cross-examination of Defendants' witnesses.

B. Defendants' Trial Duration Statement

Defendants request approximately 30 hours of trial time, which encompasses their estimate for opening, closing, direct testimony of Defendants' witnesses, and anticipated cross-examination of Plaintiffs' witnesses.

C. Joint Statement Regarding Remote Trial Logistics

The Parties have conferred telephonically and respectfully propose the following protocols for the conduct of the remote trial in this matter:

1. The Parties shall exchange and provide to the Court via Secure File Transfer Protocol ("SFTP") copies of stamped Exhibits at least seven (7) days

prior to trial. If the Court, or any member of the Court, prefers hard copies of the Exhibits, the parties are prepared to deliver binders containing the Exhibits to Your Honors via FedEx.

2. When a witness is shown an Exhibit or examined on the contents of an Exhibit, the questioning Party shall make the Exhibit visible to the Court and other Parties.

3. All Exhibits admitted into evidence during any trial day shall be provided electronically to the Trial Court Administrator, or the Court's Clerk or other designee, at the conclusion of each trial day.

4. In the event a Party wishes to introduce into evidence an Exhibit designated as CONFIDENTIAL or HIGHLY CONFIDENTIAL under the governing Protective Order, the Parties shall meet and confer regarding appropriate steps to maintain the confidentiality of the Exhibit. If the Parties are unable to agree that the confidentiality designation should be withdrawn, the Parties will propose redactions to the Exhibit. If the Parties are unable to agree to redactions necessary to exclude the confidential or highly confidential information, any Party may move the Court for leave to submit such Exhibit under seal and conduct any examination on the Exhibit under seal.

5. The Parties will each have 45 minutes per side for opening arguments with Defendants' 45 minutes to be split as mutually agreed upon by State and Legislative Defendants.

V. Deposition Designations

The Parties have exchanged proposed deposition designations that may be offered at trial and objections and counter-designations thereto. The Parties will provide the Court with information on the Parties' deposition designations in whatever form the Court prefers.

VI. Exhibit Lists

Attached hereto as Exhibit 2 is the parties' Joint Exhibit List. The exhibits are labeled JX[#]. Except as indicated, the parties do not object to the admission of the documents listed on the parties' Joint Exhibit List and stipulate that they are admissible.

Attached hereto as Exhibit 3 is Plaintiffs' Exhibit List. Plaintiffs' exhibits are labeled PX[#]. Defendants' objections are indicated.

Attached hereto as Exhibit 4 is Legislative Defendants' Exhibit List. The exhibits are labeled LX[#]. Plaintiffs' objections are indicated.

VII. Statement of Relief Sought

A. Declaratory Judgment

Plaintiffs seek declaratory judgment declaring that S.B. 824 as amended violates the equal protection clause of Article I, § 19 of the North Carolina Constitution.

B. Permanent Injunction

Plaintiffs seek a permanent injunction barring the enforcement of S.B. 824 and allowing qualified, registered voters without acceptable photo identification at the polls to cast regular ballots.

Plaintiffs,

v.

TIMOTHY K. MOORE, *in his official capacity as Speaker of the North Carolina House of Representatives*; PHILIP E. BERGER, *in his official capacity as President Pro Tempore of the North Carolina Senate*; DAVID R. LEWIS,¹ *in his official capacity as Chairman of the House Select Committee on Elections for the 2018 Third Extra Session*; RALPH E. HISE, *in his official capacity as Chairman of the Senate Select Committee on Elections for the 2018 Third Extra Session*; THE STATE OF NORTH CAROLINA; *and* THE NORTH CAROLINA STATE BOARD OF ELECTIONS,

Defendants.

PARTIES' PRE-TRIAL STIPULATIONS

Plaintiffs Jabari Holmes, Fred Culp, Daniel E. Smith, Brendon Jaden Peay, and Paul Kearney, Sr. (collectively, “Plaintiffs”) and Defendants Timothy K. Moore, Philip E. Berger, Ralph E. Hise, the State of North Carolina, and the North Carolina State Board of Elections (collectively, “Defendants”) (Plaintiff and Defendants each a “Party” and together the “Parties”), by and through undersigned counsel stipulate to the matters set forth below (the “Stipulation”).

¹ On August 20, 2020, David Lewis resigned from the General Assembly.

The Stipulation will govern the conduct at trial of the Parties, through counsel, representatives, and all witnesses tendered (whether live or by deposition). Should one Party believe that the opposing Party introduced evidence or presented argument at trial that opens the door to argument or evidence that would otherwise be precluded by the Stipulation, that Party will first, to the extent practicable, raise the issue with the opposing Party to determine if the issue can be resolved. If it is not practicable for a Party to first raise the issue with the opposing Party or the Parties are unable to resolve the issue after conferring, then the Party shall approach the Court before seeking to introduce evidence that is otherwise subject to the Stipulation.

I. Uncontested Facts

The Parties stipulate to the following uncontested facts:

A. Plaintiffs' Proposed and Agreed Stipulations:

1. By 2013 African American voter registration and voting turnout rates had reached near-parity with white registration and turnout rates.
2. Forty North Carolina jurisdictions were considered "covered jurisdictions" under Section 5 of the Voting Rights Act.
3. The North Carolina General Assembly first attempted to pass a voter ID law in 2011, H.B. 351.
4. Governor Beverly Perdue vetoed the 2011 proposed voter ID bill.
5. Governor Perdue said the 2011 proposed voter ID "bill, as written, will unnecessarily and unfairly disenfranchise many eligible and legitimate voters." In her veto message, Governor Perdue also said that the 2011 proposed voter ID bill was "nowhere sanctioned in our State Constitution."
6. On March 5, 2013, Representative Harry Warren and various other sponsors of HB589 requested a cross-matching of registered voters who have "neither a NC Driver's License nor a NC Identification Card" and the "number of one-stop voters and

provisional voters.” Representative Warren requested that both inquiries be broken down by all possible demographics that SBOE captures, including “party affiliation, ethnicity, gender, etc.”

7. H.B. 589 was initially introduced on April 4, 2013.
8. As drafted, the first version of H.B. 589 introduced on April 4, 2013, permitted voting using the following forms of identification: (1) An identification card that bears either a date of expiration or a date of issuance and that is not more than 10 years beyond the date of expiration or issuance, whichever is later, issued by a branch, department, agency, or entity of the United States, this State, or any other state, such as any of the following: (a) A North Carolina drivers license issued under Article 2 of Chapter 20 of the General Statutes, including a learner's permit or a provisional license; (b) A special identification card for nonoperators issued under G.S. 20-37.7; (c) A United States passport; (d) An employee identification; (e) A United States military identification card; (f) An identification card issued by The University of North Carolina and its constituent institutions; (g) An identification card issued by a North Carolina community; (h) An identification card issued to a fireman, EMS, hospital employee, or law enforcement officer. (2) A tribal identification card. (3) An identification card that bears a date of expiration and was not expired on the day the voter reached the age of 70 issued by a branch, department, agency, or entity of the United States, this State, or any other state.
9. The U.S. Supreme Court issued its decision in *Shelby County v. Holder* on June 25, 2013.
10. Following the U.S. Supreme Court’s decision in *Shelby County v. Holder*, Tom Apodaca, the Republican chairman of the North Carolina Senate’s Committee on Rules and Operations told local reporters, “Now we can go with the full bill.”
11. On July 23, 2013, the North Carolina Senate’s Committee on Rules and Operations reported and adopted a committee substitute bill of H.B. 589 which eliminated from the list of acceptable IDs state university IDs, community college IDs, and IDs that were issued as part of a government public assistance program; reduced the days of early voting; and eliminated same-day registration, out-of-precinct voting, and pre-registration.
12. The version of H.B. 589 reported and adopted by the Senate’s Committee on Rules and Operations on July 23, 2013, permitted

voting using the following forms of identification: As used in this section, “photo identification” means any one of the following that contains a photograph of the registered voter. In addition, the photo identification shall have a printed expiration date and has not expired, provided that any voter having attained the age of 70 years at the time of presentation at the voting place shall be permitted to present an expired form of any of the following that was unexpired on the voter’s 70th birthday. Notwithstanding the previous sentence, in the case of identification under subdivisions (4) through (6) of this subsection, if it does not contain a printed expiration date, it shall be acceptable if it has a printed issuance date that is not more than eight years before it is presented for voting: (1) A North Carolina drivers license issued under Article 2 of Chapter 20 of the General Statutes, including a learner's permit or a provisional license. (2) A special identification card for nonoperators issued under G.S. 20-37.7. (3) A United States passport. (4) A United States military identification card, except there is no requirement that it have a printed expiration or issuance date. (5) A Veterans Identification Card issued by the United States Department of Veterans Affairs for use at Veterans Administration medical facilities facilities, except there is no requirement that it have a printed expiration or issuance date. (6) A tribal enrollment card issued by a federally recognized tribe or a tribe recognized by this State under Chapter 71A of the General Statutes. (7) A drivers license or nonoperators identification card issued by another state, the District of Columbia, or a territory or commonwealth of the United States, but only if the voter’s voter registration was within 90 days of the election.

13. The North Carolina General Assembly passed H.B. 589 on July 25, 2013.
14. As passed on July 25, 2013, H.B. 589 provided: As used in this section, “photo identification” means any one of the following that contains a photograph of the registered voter. In addition, the photo identification shall have a printed expiration date and shall be unexpired, provided that any voter having attained the age of 70 years at the time of presentation at the voting place shall be permitted to present an expired form of any of the following that was unexpired on the voter’s 70th birthday. Notwithstanding the previous sentence, in the case of identification under subdivisions (4) through (6) of this subsection, if it does not contain a printed expiration date, it shall be acceptable if it has a printed issuance date that is not more than eight years before it is presented for voting: (1) A North Carolina drivers license issued under Article 2 of Chapter 20 of the General Statutes, including a learner's permit or a provisional license. (2) A special identification card for

nonoperators issued under G.S. 20-37.7. (3) A United States passport. (4) A United States military identification card, except there is no requirement that it have a printed expiration or issuance date. (6) A tribal enrollment card issued by a federally recognized tribe. (7) A tribal enrollment card issued by a tribe recognized by this State under Chapter 71A of the General Statutes, provided that card meets all of the following criteria: a. Is issued in accordance with a process approved by the State Board of Elections that requires an application and proof of identity equivalent to the requirements for issuance of a special identification card by the Division of Motor Vehicles under G.S. 20-7 and G.S. 20-37.7. b. Is signed by an elected official of the tribe. (8) A drivers license or nonoperators identification card issued by another state, the District of Columbia, or a territory or commonwealth of the United States, but only if the voter's voter registration was within 90 days of the election.

16. The following individual legislators in the Senate, all Republicans, voted in favor of H.B. 589 on third reading: Allran; Apodaca (Chair); Barefoot; Barringer; Berger; Bingham; Brock; Brown; Brunstetter; Cook; Curtis; Daniel; Davis, J.; Goolsby; Gunn; Harrington; Hartsell; Hise; Hunt; Jackson; Meredith; Newton; Pate; Rabin; Rabon; Randleman; Rucho; Sanderson; Soucek; Tarte; Tillman; Tucker; Wade.
17. The following individual legislators in the Senate, all Democrats, voted against H.B. 589 on third reading: Blue; Bryant; Clark; Davis, D.; Ford; Graham; Kinnaird; McKissick; McLaurin; Nesbitt; Parmon; Robinson; Stein; Woodard.

18. The following individual legislators in the House, all Democrats, voted against H.B. 589 in vote M11 concur: Adams; Alexander; Baskerville; Bell, L.; Brandon; Carney; Cotham; Cunningham; Earle; Farmer-Butterfield; Fisher; Floyd; Foushee; Gill; Glazier; Goodman; Graham, C.; Graham, G.; Hall, D.; Hall, L.; Hamilton; Hanes; Harrison; Holley; Insko; Jackson; Lucas; Luebke; Martin, G; McManus; Michaux; Mobley; Moore, R.; Pierce; Queen; Richardson; Terry; Tine; Tolson; Waddell; Wilkins.
19. H.B. 589 was challenged in federal court in a lawsuit filed on September 30, 2013, alleging that H.B. 589 violated the Fourteenth and Fifteenth Amendments of the United States Constitution, and the Voting Rights Act (VRA), under the case caption *NAACP v. McCrory*, 1:13-cv-00861-TDS-JEP.
20. On June 22, 2015, the North Carolina General Assembly amended H.B. 589 to include a “reasonable impediment” exception.
21. In the March 2016 primary, 1,048 voters completed a declaration of reasonable impediment. Of these, the State Board has represented that 184 had their votes discounted by reason of lack of acceptable identification.
22. In the March 2016 primary, 1,248 voters did not present acceptable photo ID or execute a reasonable impediment declaration or return to the county office by the deadline. All 1,248 of these votes did not count.
23. The Fourth Circuit ordered that certain provisions of H.B. 589 be enjoined in *North Carolina State Conference of NAACP v. McCrory*, 831 F.3d 204 (4th Cir. 2016), *cert denied* 137 S. Ct. 1399 (2017).
24. On July 29, 2016, the Fourth Circuit’s opinion stated that, “On appeal, Plaintiffs reiterate their attacks on the photo ID requirement, the reduction in days of early voting, and the elimination of same-day registration, out-of-precinct voting, and preregistration, alleging discrimination against African Americans and Hispanics. Because the record evidence is limited regarding Hispanics, we confine our analysis to African Americans. We hold that the challenged provisions of SL 2013-381 were enacted with racially discriminatory intent in violation of the Equal Protection Clause of the Fourteenth Amendment and § 2 of the Voting Rights Act.”
25. The Fourth Circuit stated, “As the district court found, prior to enactment of SL 2013-381, the legislature requested and received

racial data as to usage of the practices changed by the proposed law. . . . This data showed that African Americans disproportionately lacked the most common kind of photo ID, those issued by the Department of Motor Vehicles (DMV).”

26. The Fourth Circuit stated, “The district court found that . . . African Americans were more likely to ‘experience socioeconomic factors that may hinder their political participation.’ . . . This is so, the district court explained, because in North Carolina, African Americans are ‘disproportionately likely to move, be poor, less educated, have less access to transportation, and experience poor health.’”
27. On May 15, 2017, Speaker Tim Moore and Senate Leader Phil Berger issued the following statement: “It is unconscionable that Roy Cooper and Josh Stein – who ignored state law and flouted their conflicts of interest to kill voter ID in North Carolina – have now caused the vast majority of voters who support voter ID to be denied their day in court. In light of Chief Justice Roberts’ statement that the ruling was not based on the merits of voter ID, all North Carolinians can rest assured that Republican legislators will continue fighting to protect the integrity of our elections by implementing the commonsense requirement to show a photo ID when we vote.”
28. On June 29, 2018, the North Carolina General Assembly ratified H.B. 1092.
29. H.B. 1092 added to the November 6, 2018 election ballot a referendum for a “Constitutional amendment to require voters to provide photo identification before voting in person.”
30. North Carolina held state and local elections on November 6, 2018.
31. On November 6, 2018, voters passed four referenda to amend the Constitution of North Carolina: the amendment referenced in H.B. 1092, the amendment referenced in Marsy’s Law (H.B. 551), the amendment referenced in S.B. 677, and the amendment referenced in S.B. 75.
32. The amendments referenced in H.B. 1092 and Marsy’s Law each required implementing legislation.
33. The amendments referenced in S.B. 677 and S.B. 75 did not require implementing legislation.

34. Between November 6, 2018 and January 1, 2019, Republicans held 75 of 120 seats in the North Carolina House of Representatives.
35. Between November 6, 2018 and January 1, 2019, Republicans held more than three-fifths of the total seats in the North Carolina House of Representatives.
36. Between November 6, 2018 and January 1, 2019, Republicans held 35 of 50 seats in the North Carolina Senate.
37. Between November 6, 2018 and January 1, 2019, Republicans held more than three-fifths of the total seats in the North Carolina Senate.
38. Since January 1, 2017, the governor of North Carolina has been Roy Cooper. Governor Cooper has been a member of the Democratic Party since at least January 1, 2017.
39. In *North Carolina v. Covington*, 137 S. Ct. 2211 (2017), the Supreme Court affirmed a judgment of the Middle District of North Carolina finding that “twenty-eight challenged districts in North Carolina’s 2011 State House and Senate redistricting plans constitute racial gerrymanders in violation of the Equal Protection Clause of the United States Constitution.”
40. The U.S. Supreme Court affirmed the District Court’s decision to redraw certain districts, and it reversed the District Court’s decision to redraw certain other districts.
41. As a result of the election on November 6, 2018, Republicans lost 10 of the 75 seats they had previously held in the North Carolina House of Representatives to Democratic candidates.
42. As a result of the election on November 6, 2018, Republicans no longer held three-fifths of the seats in the North Carolina House of Representatives on January 1, 2019.
43. As a result of the election on November 6, 2018, Republicans lost 6 of the 35 seats they had previously held in the North Carolina Senate to Democratic candidates.
44. As a result of the election on November 6, 2018, Republicans no longer held three-fifths of the seats in the North Carolina Senate on January 1, 2019.

45. The General Assembly adjourned its regular session on June 29, 2018 and reconvened the regular session on November 27, 2018.
46. House Joint Resolution 1101 provided that, “[d]uring the regular session that convenes on Tuesday, November 27, 2018, the restrictions contained in Section 3.2 of Resolution 2017-12 and the request and filing deadlines in the Permanent Rules of the Senate and the House of Representatives do not apply.”
47. Between 1986 and 2018, the General Assembly convened in lame-duck sessions on three occasions, holding one such session in 2002, one in 2004, and three in 2016.
48. Prior to December 2018, the North Carolina General Assembly had never before enacted legislation to implement a constitutional amendment during a lame-duck session.
49. Prior to the November 2018 General Election, a party with a veto-proof majority in the North Carolina General Assembly had never lost that majority while the Governor was a member of a different party.

1. The Parties will exchange the demonstrative evidence that will be used in opening and closing statements and with witnesses, except for cross examination. Plaintiffs propose that such demonstratives be exchanged no later than 24 hours before the date the Party intends to use the demonstrative at trial. Legislative Defendants propose that such demonstratives be exchanged no later than 72 hours before the date the Party intends to use the demonstrative at trial.
2. The Parties will exchange summary exhibits, including citations to all underlying source exhibits, except for rebuttal or cross examination, no later than 7 days before the start of the Party's case-in-chief. For the purposes of this stipulation, the Defendants' case-in-chief is presumed to begin on April 19, 2021, the Monday of the second week of the scheduled trial.
3. Each party will serve its final intended order of witnesses no later than 10 days before the beginning of that Party's case-in-chief. For the purposes of this stipulation, the Defendants' case-in-chief is presumed to begin on April 19, 2021, the Monday of the second week of the scheduled trial.

2. In the event that the Parties' motions in limine have not been resolved prior to trial, the Parties agree and propose the following:
 - (1) the Parties' motions in limine shall serve as standing objections to any expert testimony to which such motions apply without the need for any Party to reiterate its objections at trial;

provided, however, that (2) the Parties reserve the right to object at trial to the testimony of any expert witness on any other basis, including the form of the question.
