In Durham, 18 individuals were given misdemeanors for attempting to purchase sex. Special Agent Wall discussed the misdemeanor charge and how harsher punishment would likely reduce these numbers. Special Agent Wall also discussed a test program they are conducting with an online robot in order to collect information about individuals attempting to purchase sex online.

Director Long then introduced the topic of Continued Presence and showed meeting attendees two training videos produced by the Blue Campaign/Department of Homeland Security.

After the videos, Special Agent Wall discussed the topic of continued presence and that the SBI is taking a victim-centered approach. He stated they will sign continued presence on a case by case basis. Attorney Joy Strickland spoke about liability issues for individuals that are granted continued presence.

**Public Comments:**

Commissioner Ryland read a letter to Commission members regarding Continued Presence. The letter asks the Commission to adopt a resolution supporting the use of Continued Presence by the SBI and other law enforcement agencies.
