Located on our website in the Resource Library [here](#).

Training and Technical Assistance Grant

The North Carolina Coalition Against Human Trafficking (NCCAHT) updated their 2015 RRT Toolkit to accompany our Directory.

While this is in draft form, it will describe components to and give instruments for Regional Response Teams, Task Forces, and Coalitions.

We hope this toolkit will be worked on further and published for the public in the next few months.

Training and Technical Assistance Grant

Contract - Training and Technical Assistance

Purpose:

- Create a report from the Resource Directory to “map” human trafficking service provision and 24/7 response across the state.
- Create a draft process for the HTC to screen or vet direct service agencies.
- Complete 1-2 toolkits for use by various professionals across the state.
- Training
- Technical Assistance engagement.
