

Public Awareness Campaign

2021 GCC Reverted Funds PROJ015143

- Grant reopening 2023
- Almost \$600,000 for public awareness
- Funds used to promote awareness through billboards, multimedia, radio ads, and tractor trailer skirts through April, May, and June

InRange Advertising

- 10 trailers with coverage on both sides (passenger and driver side), so the ads are down at eye level to other motorists
- 3-month duration to end 6/30/23
- Our dollars being spent are also offsetting the carbon emissions of tractor trailers based here in NC and utilizing more sustainable advertising.
