Discussion

Committee Chair, Wind

Committee Chair Wind asked members if there were any questions. Due to plans for the NC Pandemic Relief Office to reclassify the funding under "revenue replacement," all progress is paused at this time. Committee Member and Commissioner McGhee inquired about the spending time frame for the funds. The Commission has until the end of 2024 to incur the funds and agencies have until then end of 2026 to spend out the funds. AOC and HTC staff are monitoring report deadlines.

Public Comment

No public comment during the meeting.

Adjournment 1:30pm

Committee Chair Wind adjourned the meeting. The Committee will plan to meet in two weeks, unless this is changed due to the flow of information from the state.
