Populations values derive from the 2010 Census Redistricting Data (Public Law 94-171) Summary File. Election results were provided by the NC State Board of Elections. Votes that could not be associated with a specific precinct were excluded. Reported statewide totals may therefore be marginally lower than official contest results.

Populations values derive from the 2010 Census Redistricting Data (Public Law 94-171) Summary File. Election results were provided by the NC State Board of Elections. Votes that could not be associated with a specific precinct were excluded. Reported statewide totals may therefore be marginally lower than official contest results.
