All calendared cases are subject to be called for trial on the day set and each day thereafter during the session. Defendants in cases not tried on the date calendared for trial must return the following day unless told otherwise by the Presiding Judge or the Prosecutor.

It is absolutely essential that counsel and all witnesses including law enforcement officers be present and prepared on the day the case in which they are interested in is scheduled for trial. Failure to be present on that day when the case is called will result in appropriate sanctions being imposed by the court.

No case will be continued except by order of the Presiding Judge on motion duly made in open court. The Superior Court Prosecutors will not consider or respond to any continuances addressed to them.

Arraignments will be held at the call of the calendar out of the presence of the jury.
